

SEA and New Freedom Transportation

Last year, 2009, was an amazing year for Society for Equal Access Transportation. SEA went from transporting around 50 people to transporting 200+ on most days. This would not have been possible without the continued support of our riders and the community that we serve. Society for Equal Access would like to thank everyone for a fun filled and delightful 2009. We look forward to an even better 2010.

Picture: Rick Domer, Transportation Supervisor, is standing in front of one of the vehicles provided to Society for Equal Access through an ODOT (Ohio Department of Transportation) grant.

Here at Society for Equal Access, kindness and appreciation are in full abundance. This cake was made by one of our drivers, Don Marshall, for Valentine's Day. Society for Equal Access appreciates all the hard work and dedication of our Independent Living and Transportation Staff.

Work Credits Required for Disability Benefits

Submitted by Bobbie Houy, ILSS

The number of work credits needed for disability depends on the age at which the individual became disabled. For more information check the Social Security Administration website at www.socialsecurity.gov. However, the website is complicated to understand; so, if you need an advocate to help navigate the application process please call Bobbie Houy at (330) 343-9292 ext 224.
